FULL STACK WEB DEVELOPER

Full Stack Web Developer with a background of high-quality reporting, sales and software maintenance. Recently known for clean, effective coding and successful team collaboration. An innovative, goal-driven, organized and energetic professional.

TECHNICAL SKILLS

Languages/Frameworks: HTML5/CSS3, JavaScript/JQuery, Bootstrap, JSON, AJAX/API, React
Other: Node.js, Express.js, MySQL, Git, Terminal, Microsoft Office, Google Suite, Zoom, Hangouts

PROJECTS

Better Weather - ggfalloon.github.io/BETTER-WEATHER/ | github/ggfalloon/BETTER-WEATHER   **2020**
Worked with a team of 3 to produce a mobile-first web app that provides odds data, outdoor conditions and stadium information appealing to the user who wishes to place an informed wager on NFL football games.
- Tools used: HTML5, TailwindCSS, JavaScript, jQuery, AJAX: OpenWeather API (provides live weather data), The Odds API (provides live odds data), Wikipedia API (provides table array of stadium details)

JavaScript Code Quiz - ggfalloon.github.io/CodeQuiz/ | github.com/ggfalloon/CodeQuiz   **2020**
A fun and interactive quiz to test your knowledge of JavaScript. This program allows you to record your initials, score, clear scores or play again.
- Tools used: HTML5/CSS3, Bootstrap CSS, JavaScript

Workday Scheduler - ggfalloon.github.io/WorkDayScheduler/ | github/ggfalloon/WorkDayScheduler   **2020**
Standard work day hours from 9am to 5pm available for user input of important meetings or events throughout the day. The time slots are color coded to represent the past, present and current hours in real time.
- Tools used: HTML5/CSS3, Bootstrap CSS, JavaScript, JQuery, Moment.js

EXPERIENCE

Elevate Bartending, Austin, TX — Director of Events   **2018 - 2020**
- Contributed to 600% growth in sales in the first year of employment.
- Remotely managed all incoming leads and often converted over 30% to bookings.
- Assisted in development and maintenance of the company's new website. Using Google Sheets, created and maintained essential spreadsheets for tracking sales records, payroll, events, etc.
- Detailed events for both Austin and San Antonio locations and led execution of San Antonio events.

Legacy Church, Plano, TX — Office Manger/Church Clerk   **2012 - 2015**
- Maintained and updated software database. Improved and developed various Excel reports.
- Managed/recruited volunteers, on-boarded new staff, supply budget, organized events, calendars & phone systems.
- Co-led initiative to reduce energy costs through wifi enabled programmable thermostats.

Hudson & Marshall of Texas, Plano, TX — Account Lead   **2007 - 2011**
- Promoted to Contract Administrator within 3 months of initial hire date.
- Received a second promotion to Account Lead as liaison for the company's servicing clients. Assisted in developing essential client reporting using Excel's macro and pivot table functions.
- Attended multiple real estate auctions throughout the country, completing various tasks to ensure smooth transactions for buyers, investors and real estate agents.
